Mission Statement

To provide our customers with consistent, reliable, and the highest quality batteries and products.

To be the best replacement battery provider for medical, military, and commercial portable power needs.

To aspire to the highest standards of professionalism, courtesy, and knowledge as a supplier.

To make Customer Satisfaction our highest goal.

Capabilities Statement

"Over 50 Years Combined Battery Experience"

Company Information

Battery Clinic, Inc. is a company devoted to Quality, Service, and Customer Satisfaction. It has been our privilege to serve the world's best customers for over 23 years. We offer the most complete line of OEM and Aftermarket replacement batteries. From "AAA to Zinc Air" we have the replacement batteries you and your institution need. We can also provide custom battery pack assembly in many different chemistries. We have decades of battery and service experience. We offer some of the longest warranties in the industry and we would appreciate any opportunity to serve you. Our niche market is targeted, but not limited to Medical and Biomedical equipment, i.e. Hospitals and Medical Centers, Surgery Centers, Clinics, and Office Supply Needs.

We are also proud to serve our Military and our National Intelligence Services with batteries, chargers, and computerized battery analyzers as well. You can see from our SIC and NAICS codes below, we offer a wide range of batteries and related items for most portable power needs. When you need a battery give us a call.
